

Dan Piskadlo

Senior Transaction Manager Chicago

Professional Experience

With deep expertise in managing complex real estate transactions, Dan specializes in supporting corporate clients—ranging from regional businesses to Fortune 200 companies—across a wide range of industries, including a strong focus in healthcare and retail. Dan expertly coordinates all phases of the transaction lifecycle, working closely with Real Estate Directors, Project Managers, Architects, Legal Counsel, Field Brokers, and Client Operators to ensure smooth execution from initial strategy to final close.

Education

- Tulane University, School of Architecture – Double Major - Bachelor of Science in Architecture and Bachelor of Science in Real Estate, Minor – Liberal Arts Management
