

Sumner Putnam

Managing Principal Data Center Capital Markets & Advisory

Professional Experience

Sumner is a recognized industry leader with over 20 years of experience in mission critical real estate. His expertise spans key industry sectors—including finance, healthcare, legal, technology, and media—and he has successfully guided clients across North America and around the globe in all aspects of mission critical real estate. His capabilities go beyond traditional brokerage, offering strategic consulting, procurement, and capital markets advisory to occupiers, developers, and landlords alike.

Prior to joining Cresa, Sumner was instrumental in the growth of Newmark's data center practice and previously served as a key contributor to JLL's data center platform.
